Infinigate Appoints Reinaldo Rodriguez de Asevedo as Managing Director for Infinigate Iberia.

Tuesday 23 July, 2024

Madrid, Spain: 23/07/234 – Infinigate, the leading technology platform and trusted advisor in Cybersecurity, Cloud & Network Infrastructure has appointed Reinaldo Rodriguez de Asevedo as Managing Director of Infinigate Iberia.

Reinaldo brings 20 years' experience in the IT sector, having worked in leading international roles, as MD and CEO of member companies of the Telefonica Group, and as CEO of VADs specialising in cybersecurity solutions.

In his role Reinaldo will deploy his experience, expertise and knowledge of the market to lead Infinigate's expansion in Iberia. As Managing Director of Infinigate Iberia, Reinaldo will build on the company's existing footprint in the region in partnership with key cybersecurity vendors and channel partners.

"Joining Infinigate to lead the expansion of the Iberia region is an exciting prospect. The Iberian market continues its growth path and companies with such a solid reputation as Infinigate have a great opportunity to consolidate a leadership position. We have excellent vendor relationships we can build on and close collaboration with partners to foster shared growth," Reinaldo comments.

"Reinaldo's extensive experience and business know-how will be invaluable in driving our growth in a region with considerable potential and a strategic stepping stone to the wider Latin America region," Marcus Meloni, CEO Europe at the Infinigate Group, said.

Reinaldo will be based in Madrid, Spain and is assuming his role with immediate effect.
