LongevityResorts.com by Leading Spa Resorts: New Platform for Exclusive Health Travel Launched

Wednesday 25 November, 2026

A dedicated platform connecting health-conscious travellers with selected health resorts and specialised longevity programmes.

Villach, Austria – At the beginning of October, LongevityResorts.com by Leading Spa Resorts

launched as an international platform for premium longevity travel. It brings together selected resorts and programmes focused on healthy ageing, prevention and regeneration, helping travellers find experiences aligned with their individual health goals.

Longevity is about extending the healthy and active years of life. Combining premium hospitality with modern health concepts, the platform offers access to programmes focused on regeneration, sleep quality, nutrition, stress management and holistic prevention.

“Longevity is far more than a short-term trend for us. An increasing number of people want to use their travels consciously to invest in their health, vitality and long-term quality of life. With Longevity Resorts, we aim to simplify the search for suitable resorts and high-quality health programmes while bringing exceptional offerings into the spotlight,” explains Dieter Stroitz, Managing Director of LSR Leading Spa Hotels & Resorts GmbH.

New Opportunities for Health Resorts

Building on the established network of Leading Spa Resorts, the platform enables medically oriented health resorts and properties offering holistic health programmes to showcase their expertise, innovative concepts and services to a health-conscious international audience.

Longevity Resorts plans to expand its network of selected resorts, international destinations and specialised programmes, positioning health travel as a conscious investment in long-term quality of life.
