Parrot Awareness Week

Friday 19 May, 2023

The first ever **Parrot Awareness Week** has been launched this year from **2nd-8th July 2023** to promote improving welfare for pet parrots. The week has been spearheaded by *The Parrot Society UK* in collaboration with UK Pet Food, Petcover Group and a volunteer group of avian veterinary professionals, and will be a fun way of learning more about the health and welfare of pet parrots in the UK.

During Parrot Awareness Week, our aim is to highlight a number of important themes with respect to parrot welfare in captivity, with a new focus each day on subjects such as enrichment, nutrition, preventative health. Follow us on Facebook for daily updates during the week at: https://www.facebook.com/profile.php?id=100089833982843. More details are also available on our website: https://www.parrotawarenessweek.com

The week will culminate with The Parrot Society UK's annual **Pet Parrot Gathering** at Stafford County Showground on Saturday 8th July. This will be an exciting opportunity to meet fellow parrot enthusiasts, watch flying displays of these colourful birds, see expert demonstrations of such things as harness training and feeding techniques, plus lectures from experts and many trade stands, as well as competitions and prizes. Entry on the day will be just **£10 each,** but wristbands may be obtained in advance at just **£8 each (**Under 16s *free)* here: https://theparrotsocietyuk.org/site/index.php/shop/.
