

Alzheimers Dementia Support 'ADS' are pleased to offer Dementia Awareness Training to businesses, schools and groups in our local community.

With the number of people with Alzheimers or Dementia in our local community increasing year on year, 'ADS' endeavour to remove the associated fear and stigma. It is our aim to raise awareness and to give residents the confidence to more sensitively approach someone who appears confused or disorientated.

Our unique 2 hour certificated sessions have been constructed to increase knowledge and understanding of employees within your organisation and can help their further personal and professional development.

- ❖ **Cost at our venue: – Mixed Public sessions at just £31 per person.**
- ❖ **Cost at your venue: – Private In-house sessions from as little as *£10.40 per person at your facility (for between 10-25 delegates)*** Price based on 25 delegates attending at the full Private session cost of £260.
