Singer-songwriter, Lemar, announces debut podcast!

The Lemar Show

Trailer | Sept. 8th, 2020:

The Lemar Show is a weekly podcast hosted by multi-award winning singer/songwriter Lemar. From living legends and entrepreneurs, to creatives and close friends in all walks of life. Lemar engages in fun and informative conversation, revealing some trade secrets and sharing valuable insights along the way. Lessons and stories for everyone.

Fashion Illustrator: Hayden Williams on 'Beyonce Knowles'

"I was so confused. I saw at the top, it said Beyoncé. And I think her only caption was the blushing emoji. And I was like, No way!?"

Osteopath: Garry Trainer on 'George Michael'

"I've seen this show for the last five months, every night, I could dress George Michael with my eyes closed!"

Capitol Records UK President: Nick Raphael on 'Sam Smith'

"Two things that taught me. One, the power of music. Two, the power of a hit."

About Lemar

Considered as one of the best male voices to come out of the UK, Lemar has sold millions of albums, won multiple Brit and MOBO awards and is a Grammy Award nominated artist. He currently hosts a weekend morning show on Magic Soul while also recording material for his eight studio album.
