

Alzheimers Dementia Support are pleased to offer FREE OF CHARGE

Dementia Awareness Training to businesses, schools or groups (large & small) in the Royal Borough of Windsor & Maidenhead.

These unique 2 hour sessions have been commissioned by the Royal Borough and strive to empower any public facing individual or organisation with a better knowledge and understanding of Dementia.

With the number of people with Alzheimers or Dementia in our local community increasing year on year, ADS endeavour to remove the associated fear and stigma. It is our aim to raise awareness and to give residents the confidence to more sensitively approach someone who appears confused or disorientated and reach the person behind the disease.
