GREATER LINCOLNSHIRE IS HOME TO THE UK'S FASTEST GROWING PORT & LOGISTICS CENTRE!

As Greater Lincolnshire boasts the largest port by tonnage in Immingham and Grimsby, which is able to handle over 54 tonnes of cargo every year; it is clear why the Ports and Logistics industry brings £700 million per year to the local economy.

With Humberside Airport, ports along the coastline and easy access to the A1 and East Coast main rail line; the industry employs 18,000 workers in the area. This bustling sector works closely with the Agri-Food industry to ensure the produce is delivered!

"I can now drive 5 different specialist vehicles, I have a pension, I'm part of a health scheme and I receive help with childcare vouchers. ABP have continued to support me in my desire to continue learning and over the next few months, I'll even be learning how to drive a gantry crane."
