Dear Suphil,

**Re: Your research into Dementia and Alzheimer's**

Thank you for sharing your research with me on Friday in our surgery.

It was helpful to have your verbal run down of the work and a discussion about what actions you would like me to take.

As agreed, I have passed your paper on to the Health and Social Care Team, via their Parliamentary Private Secretary. I will speak to them in person in the next few weeks and will give you some feedback via email when I do.

Kind regards,
