

National Extension College Virtual Open Event

Thursday 13 March 2025
1pm - 2pm, Online

Study when, where and how you like

Whether you are aiming for GCSEs, A levels or exploring a new career path, NEC has you covered.

Meet the team and find out more about:

- how NEC online learning works
- our range of courses and dedicated tutor support
- our support for the under 18s and students with additional needs
- our exam booking service, exam advice and past paper marking
- connecting with other NEC online learners
- additional services such as masterclasses and tutorials
- our pastoral care and 'Well being for Learning' programme
- NEC's UCAS Service with support for applications and career progression

Plus, discover our new **Structured GCSE Programme** - an innovative, one-year learning experience, tailored to each student's needs

You'll have lots of opportunity to ask questions - and to hear about our current students' experiences. We hope to see you there!
