## About the Forum

This investment forum is been organized by Abuja Investments Company Limited (AICL), the investment and business development arm of the Federal Capital Territory Administration (FCTA).

Following the success of the inaugural Abuja Investment and Business Summit 2024, which generated so much investment interest and consummation of investment deals in the FCT ,there is the need to show case investment opportunities in Nigeria to a wider audience AICL European Investment Forum ( 2025 AICL Invest2025) provides a platform for businesses to network with potential investors and discuss investment opportunities.

This will be a platform to connect with European investors as well as Nigerian living in Europe to showcase the investment opportunities in Nigeria.

The forum will be attended by business councils supporting African investment, global investors, government officials, financial institutions, entrepreneurs, and individuals seeking to explore investment opportunities in Nigeria. The forum will feature keynote speeches, panel discussions, business matchmaking sessions, and investment showcases from diverse industries.
