About Dean Halford

Biography:

I was Head Coach of the Lee Westwood Golf Academy from 2008 to 2012 and this exciting initiative offered more than 1000 junior golfers the chance to receive coaching from over 80 PGA coaches each year at venues across England. I oversaw the coaching and developed the programme for Lee. The Academy was launched in Spain from 2009 which I was also responsible for at the world renowned La Manga Resort. I spent a great deal of time with Lee throughout the process in the time when he was No1 in the World!

At various times I have been fortunate to have coached on the European Tour working alongside the likes of Justin Rose, Mark Davis and the late great Seve Ballesteros. The highlight of my career was to spend 4 days with Seve at The BMW Masters in Germany. I also worked with 2011 US Open Champion Rory McIlroy in the early stages of his development as a junior whilst Director of Golf at Millfield School.

My experience has taken me all over the UK

and into Europe with TMB Events on their corporate golf days. I ran over 200 golf days on behalf of their Blue Chip clients that included Audi, Toyota, Lexus and Wella.
