

CRYPTIQ Overview Document

Who We Are

At CRYPTIQ, we are redefining cybersecurity by delivering intelligent, outcome-driven solutions. Our mission is to empower businesses with innovative security services tailored to their unique needs.

Our Mission

At CRYPTIQ, we focus on intelligent, value-driven solutions that deliver outcomes built on our 3T ethos: Transparency, Trust, and Togetherness.

What We Do

At CRYPTIQ, we deliver AI-driven cybersecurity solutions to address the most critical enterprise challenges:

- 1. Governance and Strategy:**
Aligning cybersecurity with compliance mandates and business objectives using AI-enhanced risk management and resilience planning.
- 2. Attack Surface Management:**
Leveraging AI to proactively discover, prioritize, and mitigate vulnerabilities with real-time monitoring, risk scorecards, and penetration testing.
- 3. Cloud and Application Security:**
Securing cloud environments and applications with AI-powered compliance solutions, CSPM, and API protection.
- 4. Access Control and Identity Management:**
Strengthening systems with AI-driven identity governance, adaptive authentication, and federated access solutions.
- 5. Security Awareness and Education:**
Empowering teams with AI-based phishing simulations, tailored training, and proactive threat prevention strategies.

Why Choose CRYPTIQ

- 1. No Outcome, No Invoice:**
Pay only for measurable security results, ensuring tangible risk reduction and strategic impact.
- 2. AI-Driven Intelligence:**
Harness real-time, predictive insights to stay ahead of evolving threats and make informed decisions.
- 3. Security as a Business Asset:**
Transform cybersecurity from a cost center into a growth enabler, protecting revenue and aligning security with financial goals.

4. **3T Ethos – Trust, Transparency, Togetherness:**
Build long-term partnerships with ethical, transparent, and collaborative security solutions.
5. **3G Model:**
Align security strategies with **Governance**, drive innovation through **Growth**, and ensure continuous protection with **Guardrails**.
6. **Purpose-Driven Partnerships:** A portion of our earnings supports causes like **Age UK**, and we align with the **UN Global Compact** to promote sustainability.
