

# Why choose Stride Underwriting?

Stride Underwriting is a leading wholesale provider of Property Owners insurance to brokers throughout the UK.

Established in 1973, Stride is dedicated to providing our brokers with first-class service, ensuring we offer you and your clients the best advice, cover and competitive terms.

## Our brokers benefit from:

- 47 years of expertise in Property Owners
- Direct access to our specialist underwriting team
- Exclusive scheme rates from A-rated insurers
- Access to London Market binders
- Bespoke placement for larger or more complex risks
- Dedicated claims handling team
- No minimum support requirement for agencies
- Attractive commissions

## Our Property Owners policies cater for:

- Commercial properties
- Blocks of flats
- Industrial units
- Portfolios - commercial, residential and mixed
- Residential lets
- Multi-tenure properties
- Licensed premises
- Warehousing

## Secure insurer partners

Stride Underwriting works with established composite insurers and partners such as Hiscox, giving peace of mind to our brokers and their policy holders.

As a member of the Managing General Agents Association, we offer our own Lloyd's MGA facility Portus Underwriting, underwritten through Syndicate 2007 (managed by Axis Capital).

Portus offers a broad policy wording combined with competitive rating structures, and is exclusive to Stride brokers.

As a Coverholder at Lloyd's and member of BIBA and the CII, Stride Underwriting works to the highest professional standards.

## Our partners:

Coverholder at LLOYDS

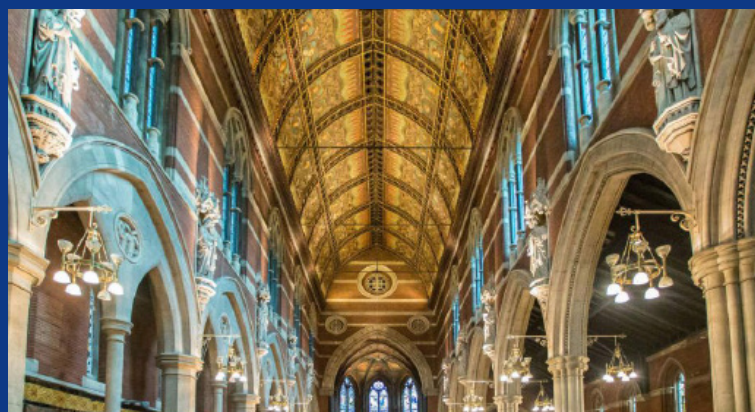

## Our key strengths:

- Decades of expertise in Property Owners - we know the market
- The flexibility of binding authorities with London Market insurers
- We work with brokers to help them win and retain business
- An unbeatable level of service to brokers large or small

## Weird and wonderful risks? Our appetite is wide and we are happy to write specialist risks

Some of the Property Owners business Stride Underwriting has placed in the last few months includes:

- An ex-RAF barracks that has been converted to a religious retreat
- A nuclear bunker used for storage of wine
- An 1860 fort used as a multi-tenure manufacturing hub
- A Grade I listed church used as hostel for asylum seekers
- Portfolios of blocks undergoing conversion

## How we transact business - we work your way

Telephone quotes and discussions or email if preferred

We can provide a spreadsheet for indicative quotes to save time

A dedicated handler is assigned to your account

## We strive to offer the highest levels of service in the business. Our brokers benefit from:

Direct lines of communication - you'll get straight through to our underwriters

Highly experienced staff - talk to the experts in Property Owners

A quick turnaround on quotes - however you choose to present them

Dedicated claims support from our in-house team - let us take the strain
