

I WISH I HAD

BREAST

CANCER

Kerry, 24
#Kerryswish

Today 23 people will be told they have Pancreatic Cancer. Like Kerry, this is what they face:

- Only 3% will survive because of late diagnosis
- Most will die within 4 to 6 months
- It's the UK's 5th biggest cancer killer

Pancreatic cancer has the lowest survival rate of all 22 common cancers. Early diagnosis saves lives.
