Canabidol® Refined Cannabis Oil

Developed to be the best tasting most premium CBD cannabis oil ever created. The Canabidol® range of refined CBD oils are the product of years of development around our industry-leading highly purified CBD extract. 100% cannabis and a delicate flavour and aroma profile from the all-natural cannabis terpenes. The most flavourful and natural cannabis oil on the market.

Canabidol®

Canabidol® RAW CBD Cannabis Oil

Our RAW CBD Oil is 'raw' by name, 'raw' by nature. As mother nature intended, this full spectrum unadulterated oil is darker in colour and has more of an acquired taste due to its intense flavour profile. While not as purified as our refined oils, this oil contains every constituent you'd find in cannabis straight from the field.
