Parcel2Go, the leading provider of courier services in the UK, has made a list of 10 alternative couriers to Royal Mail for customers looking to send parcels this Christmas.

As the demand for online shopping and home delivery grows in the run up to Christmas, customers have faced challenges due to Royal Mail strikes causing delays in delivery. Parcel2Go partners with many reputable courier companies to offer competitive rates and fast delivery times for shipping in the UK and internationally.

Customers can send a parcel up until 22nd December for pre-Christmas delivery using an express courier service. Delivery options include next-day delivery, same-day courier services, and international shipping.

Parcel2Go also offers a range of convenient services, such as the ability to track parcels in real-time, easy online booking and ecommerce integrations for small and medium businesses.

"We understand that reliability and speed are important factors for our customers when sending parcels," said Ashley Taylor, Head of Commercial at Parcel2Go, "That's why we've provided a list of 10 alternative couriers to Royal Mail to provide useful information and options for our customers, along with our top 5 tips to give your parcel the best chance of being delivered successfully this Christmas."
