

1:1 NLP Practitioner Training available worldwide - SNLP Certified and Free Discovery

Saturday 2 May, 2020

Business NLP Ltd offers free discovery and SNLP certification as part of their unique 1:1 NLP practitioner training for business and professional people.

Business NLP's unique 1:1 NLP practitioner programmes build on the value of normal NLP training by enabling clients to focus on what they want to achieve as well as improving their leadership, sales and influencing skills.

Typical areas that clients chose to develop include: 1) clarifying their purpose and direction 2) developing their leadership, sales and relationship skills 3) strengthening their network and 4) overcoming any blocks that might be holding them back.

Free Discovery

Their free discovery sessions include a leadership assessment, an approach to get feedback and feed-forward from the key people around them, and the chance to explore what is important to them.

This discovery phase allows potential participants to determine the value they are likely to get from the programme before making a commitment to go ahead.

Programme content

The programme includes 1) free discovery sessions 2) NLP and Coaching. This section gives them the skills and capabilities to coach themselves and others 3) NLP and Transformational Change. This section enables them to use some of the key NLP transformational approaches 4) Integration. How to apply what they've learnt and continue to build on their new skills.

Programme structure

The programme is over six months based on 1 1-hour session a week, plus reading and practical (and useful) exercises and tasks. Additional sessions may be booked without charge, throughout the duration of the programme to deal with 'real world' opportunities and challenges.

Participant requirements

Participants who 1) are prepared to demonstrate a touch of a) ambition b) courage c) discipline and d) honesty 2) commit to a minimum amount of time and emotional work are always delighted with what they achieve from the programme 3) Enjoy working with Michael and 4) Happy to pay when they get exceptional results.

Certification

Successful students receive SNLP accredited certificates countersigned by NLP co-creator Richard Bandler, John La Valle and Michael Beale.
