12 Hour Countdown: Midnight Deadline To Open New Premier Cryptocurrency Account '10x Growth Account'

Monday 30 April, 2018

Offering secure and easy access to cryptocurrency with a tax efficient Social Enterprise Investment managed by experienced cryptocurrency experts, the 10x Growth Account is reminding investors that applications for new accounts will close at Midnight tonight!

As 2018 sets out to be an exciting year for the world of cryptocurrency and blockchain, an exciting new opportunity to invest in cryptocurrency AND benefit from tax relief via the Enterprise Investment Scheme is just days away from closing its first round of account applications. Premier cryptocurrency account, the 10x Growth Account, solves the complexity surrounding crypto-investing and removes the difficulty of deciding what currency to buy, all from a fully transparent and easy to use platform, with the highest levels of security.

The 10x Growth Account is a UK-based investment opportunity, which allows investors access to a portfolio of cryptocurrencies such as Bitcoin, Ethereum and Ripple through a collaboration with the Centre for Citizenship Enterprise and Governance (CCEG) and their secure platform seratio-coins.world.

New accounts can be opened from £1000, which can be paid via Sterling, Dollars, Euros, Bitcoin or Ethereum, the 10x Growth Account is accepting new account holders into its current account until 30th April 2018, after which the account will be closed and the funds invested in a portfolio of cryptocurrencies. All accounts will be locked in for a minimum period of 12 months, during which the cryptocurrency account will be managed by global Blockchain & Crypto consultancy Rothbadi & Co, who will also provide quarterly valuation statements. After 12 months, account holders can choose to fully withdraw their funds, partially withdraw or leave their investment in full in the account.

In addition, new account holders in the 10x Growth Account will receive a shareholding in a Social Enterprise, operated by The Golgorathism Foundation, which aims to help artists and all those dedicated to creativity to inspire others. The Social Enterprise has EIS tax relief benefits for 40% on all payments made into the 10x Growth Account.

The 10x Growth Account is the brainchild of finance professional Andrew Pritchard DipPFS, who brings over three decades of experience in the financial services sectors, alongside his own personal experiences as a successful cryptoinvestor. He recognised the barriers to entry for many people wanting to explore the world of Cryptoinvesting, and so brought together an incredible team of academics, financial analysts and directors, most notably its Chairman Professor. Olinga Taeed. Prof. Taeed is a highly respected individual in Social Enterprise and former Impact Investment Advisor to David Cameron’s Big Society Think Tank (up until Dec 2014). He was also appointed as Professor at two UK universities, Northamption in Social Enterprise (full time) and BCU (Capacity Development). Prof. Taeed set up the not-for-profit Centre for Citizenship, Enterprise and Governance in 2013 and in 2015, he founded Seratio, where he developed the first UK Crypto token (SER). He has also recently been appointed the new Chief Editor of the cryptocurrency journal “Frontiers in Blockchain”, where he will welcome research from both academia and industry, creating a synergistic network, facilitating the evolution of the fast-growing and exciting field of blockchain study.

“The 10x Growth Account really is the first Cryptocurrency Account of its kind, and will help many more people to start investing in Cryptocurrency without the worry of which coins to favour, which exchanges to use and how to invest. By opening a 10x Growth Account, people will be accessing some of the best expertise and industry insight, greatly increasing the chances of their investment in cryptocurrency growing over the next 12 months, in addition to this, the account also provides amazing social enterprise benefits due to the collaboration with the team at CCEG. With any investment, you should only ever put in what is affordable and seek financial guidance if you are unsure,” explains Andrew.

Investors have until 30th April 2018 to open a new 10x Growth Account, after which the fund will be closed. After this date, investors will need to wait until early 2019 for the chance to invest again.
