**Wednesday, 22nd of March, London, UK:** Buildiro have announced that 14 new merchants have joined their construction material aggregation store.

Now available on their website, the new merchant stock can be viewed by searching for the relevant material within the search bar, or using the available categories, and filtering by vendor.

A description of each vendor is as follows:

## TradePoint

The TradePoint website supplies hundred's of local trades every day with their building essentials at low prices. Browse our huge range of tools, materials, and supplies needed to get the job done. TradePoint also offer a free membership, giving access to savings on tools and materials and the chance to shop online when other building merchants aren't open.

## Leyland SDM

Established in 1985, Leyland SDM started trading with a single store in Central London, supplying local tradesmen as Specialist Decorators' Merchants with paint & decorating materials. Today, the business has grown to become one of the most recognizable and trusted decorating and DIY retail brands in Central London.

## Frenchic Paint

Founded in December 2014, Frenchic Paint has fast become a global haven for eco-friendly upcycling inspiration. We're proud to be the fastest growing Chalk Paint Company in the UK, with over 500 stockists internationally.

## Make My Blinds

Make My Blinds is a cutting-edge website, selling peerless shades at trifling prices. We boast a superb conversion rate, high basket value, unbeatable customer care and quality products that leave our competitors shaking at the shutters.

## Bradfords

We are a family builders merchant, trading since 1770. We have over 44 branches throughout the South West, Herefordshire and Worcestershire. We stock an unrivaled range of specialist building products from leading manufacturers, offering you everything you need to get the job done.

## UK Flooring Direct

UK Flooring Direct is a relatively new company, dating back to 2004, but its founders have over 25 years of experience in the flooring trade. The formation of the company took advantage of the opportunities presented by the internet age to offer an online service that cuts overheads and enables us to offer you high-quality flooring at low prices. Although we are based on the outskirts of Leicester, we are able to offer a virtual showroom that means you can browse and buy, no matter where in the UK you live.

## Door Superstore

Door Superstore brings you a vast range of doors for internal and external installation. Homeowners,

As specialists in garden buildings and garden storage, we offer a vast range of sizes, designs and specifications. Working closely with many leading brands such as Yardmaster, Forest Garden, Shire, Keter, Biohort and Palmako, we offer high quality products for every garden.

## ITS

ITS is one of the UK's largest suppliers of Power Tools, Hand Tools, Fixings, Workwear and much more. Whether you're a trade professional or just love your DIY we have all the tools you need to get the job done.

## Building Materials

At Building Materials.co.uk we specialise in the supply of building and construction materials to contractors and end users; this includes drylining, timber, insulation, suspended ceilings, partitioning, SFS steel framing systems, general building materials and everything in-between! Our trade experts will be sure to find you the right product, at the right price. Working closely with some of the biggest manufacturers and distributors in the UK, we give and unrivalled service to customers who require building products.

## Tile and Floor Superstore

Tile and Floor Superstore offers more than 5,000 flooring products including marble and porcelain tiles, laminate flooring and carpet tiles. As well as the convenience of shopping online with 24-hour ordering.

## Lampandlight.co.uk

Lampandlight is a fast-growing company. Our stock contains over 3000 products ready to be ordered. Lampandlight is the market leader in the lighting industry within Europe. Our mission is to help our customers create more room for atmosphere and functional lighting based on our customer's tastes and needs.

With the addition of these vendors to Buildiro’s marketplace, it shows that the true valuation of Buildiro, as a concept and a business, means a lot for the construction vendor marketplace, as a whole.

Additional vendors will be taken onboard as market awareness increases, but with the sudden burst of new vendors, it’s assured that Buildiro will continue to grow as the world’s biggest, and most accessible, vendor website.

# BUILDIRO LAUNCHES SEEDRS CAMPAIGN

Seedrs Campaign

Buildiro has finally launched a long-awaited investment campaign on the well-known investment and crowdfunding marketplace, Seedrs.

As of writing, Buildiro has raised **£273,241** of their **£300,001** goal, with 84 investors, within just a few days.

With 14 new vendors added recently, along with vendors such as B&Q, Wickes, and Bosch, already onboarded, investors are already seeing the potential value of Buildiro's growth.

With a current valuation (pre-money) at £3.1M before launching, Buildiro offers a great investment opportunity to its shareholders, at this current point, with a share price of £0.88.

## About Buildiro

Buildiro.com is a construction materials metasearch engine that allows tradespeople and DIY enthusiasts to locate and purchase building supplies online in minutes.
