2018 US China Blockchain and Digital Currency Conference Announced

Monday 30 July, 2018

The 2018 US China Blockchain and Digital Currency Conference at LAX Marriott Hotel on August 22, 2018 is organized by Blockchain China Connect, Artisan Business Group, Inc., and partnered with FundingPost.com. The conference is the only Sino-US investment and funding focused event for blockchain and cryptocurrency industry. Hundreds of blockchain entrepreneurs, investors, bitcoin mine operators, traders, and legal taxation experts are expected to attend, and it will provide a great platform for peer-to-peer networking and exploring investment, finance, business and collaboration opportunities between the U.S., China and other countries.

More than 20 expert speakers from both countries will cover a variety of hot topics such as blockchain technology, startup investment, capital raising, ICOs, bitcoin mining, virtual currency trading, SEC compliance, legal and taxation, etc. Expert speakers and panelists include Jack Liao, Founder of Bitcoin Gold and LightningASIC; Joe Rubin, Co-Founder and Managing Director of FundingPost.com; Xiahong Lin, Founder of Bodhi; Han Liguang, Founder of RedCoin Global Public Digital Currency Exchange; Richard B. Levin, Shareholder of Polsinelli; Jeffrey Levinson, CEO of Securitech Blockchain Industries; Jor Law, Co-Founder of Verify Investor; Graeme Moore, VP of Marketing at Polymath; Matt Miles, Founder & Co-CEO of Property Coin; David W. Klasing, Founder & Managing Attorney of The Law Offices of David W. Klasing; Brian Su, CEO of Artisan Business Group; Andrew Zapotochnyi, North America Representative at CoinTraffic; Steve Anapoell, US Securities Attorney; Tyler McKay, President of Blockchain China Connect; Rob Tiv, President & COO of SonicMessenger; Gan Zhang, Partner at RTF; Harley Dou, Managing Director at Tang Wealth; Ralph Liu, Founder & CEO of MuleChain and Advanced e-Financial Technologies, Inc.; Jonathan C.
