2X Global Awards, Recipient Lauches Black Business Pioneers, Local, National & Global.

Sunday 25 January, 2026

FOR IMMEDIATE RELEASE

BLACK BUSINESS PIONEERS.COM [BLACK PIONEERS LTD] – CEO/FOUNDER, A 2X Global Awards Recipient one from IBM, launches new website www.blackbusinesspioneers.com
Aimed at CRM + AI, peer-peer, 'match-making' black business owners, local, national & global.

Launched January, 2026,
with the idea tested with ChatGPT who concluded: "*Governments, banks, corporates, and development agencies* ***want credible Black-business pipelines****, but struggle to find:*

- *deal-ready companies*
- *reliable intermediaries*
- *measurable outcomes*

A serious matchmaking platform becomes a ***gatekeeper****.*"

The above ChatGPT profound suggestion and Supercomputer conclusion, immediately ignited the CEO/Founder of Black Business Pioneers.Com. He sprang into creative, branding, design, historical and modern, black & brown, pioneering, research and action, worldwide.

He has always been
entrepreneurial in mind from a child, with passion from an early age
for global business. Born in the United Kingdom, Britain, he is qualified with a BA Hon's Degree in International Business.

He has also lived, worked and done business in the UK and abroad for
decades, online and offline. He has also traveled extensively throughout his life.

"His goal and mission
is to match-make, coach, consult, deal-make, list, promote and
advertise: black business owners, black/brown entrepreneurs,
afro-centric manufacturers, wholesalers and professionals, local,
national & global."

Most people on Earth do
not know: "Black consumer spending across the U.S., Africa, and the
global diaspora, command **over $6 Trillion USD per year,**
in collective economic power—making black consumers, the
third-largest economic force in the world." -

In 2019, McKinsey Institute published a report, on the Black–White racial-wealth gap. The reported stated: "***Black consumers will be winnable (not including organic growth)***
from 2022 to 2030, by providers who offer more-accessible, more-equitable and better products and services."

Motivated by the above
research, Paul Branson has already launched into action, a peer-peer, CRM + AI, website, and new startup.
He now invites all CEO, CMO, CFO, COO, Directors, institutions, celebrities and corporations worldwide, to
visit his website.

He also intends to blog and write articles on business, historical and modern-day '**Black Pioneers**' like: W.E.Dubois, Jane C
Wright, Benjamin Bradley, Plus living, modern, trail-blazing, Black Pioneers, like: Shaq O'neal, Oprah Winfrey, Beyonce Knowles, Lebron James, Lewis
Hamilton and more.

To Paul Branson,
Founder/CEO of Black Business Pioneers.Com, this is not just about a
business or website. It is more about educating, preserving,
promoting and documenting, black, afrocentric, african, caribbean, historical, plus modern-day talent, innovation, creativity and entrepreneurship.

This will be achieved by CRM + AI, peer-peer, matchmaking, listing, showcasing, black, afrocentric, african, latino, brazillian, colombian, caribbean, entrepreneurs and black businesses, local, national and global.

We also intend to train,
educate, workshop and coach on a monthly basis 1-1, future black Pioneers of all ages, worldwide,
online and offline. We need to curtail and alter the disparity, and open black-business opportunities and improved pipelines of trade & commerce worldwide.

If you live in the UK and would like to attend our 1st **Black Pioneer Meetup,** see our Eventbrite Ad to be held on Friday the 27th of February, 2026. This is a FREE event.
