A Peer to Peer Travel Marketplace allows consumers to recoup some money back for their Unwanted / Pre-Paid Travel bookings

Thursday 18 August, 2016

Thousands of people on a daily basis pre-book travel to secure the best price, but often these trips cannot be taken due to circumstances out of their control. That's where TransferTravel.com comes in.

TransferTravel.com, a dedicated travel marketplace for pre-booked travel including holidays, flights and hotels giving people the chance to buy and sell their unwanted travel.

The site not only allows buyers to search for their ideal trip but also to get the best deals at discounted rates. With users visiting the site daily to secure their next holiday or booking, seller offers are always at the forefront of the listing site.

Simon Powell, founder and CEO of TransferTravel, said: TransferTravel.com is a Free listing site that caters for both sellers and buyers; people can sell their unwanted travel for free and buyers can snap up a last minute trip at a fantastic price. With thousands of visits to the site every day and holidaymakers keen to both buy and sell pre-existing trips we know we have a product that the public can benefit from! There is so much global potential in this industry; currently the pre-booked, unused hotel industry stands at over $8 billion a year and that's only going to increase over the coming years. We're really excited to be right at the centre of the action, adding value to the travel market and consumers themselves."
