It's the new take on bakes - sexy, chocolatey, grown up, and moreish – we guarantee you'll earn major brownie points when you send them!

Love the ease… ordering is simple. Just choose your bake and we'll hand make it, carefully package the treat in its slick little tin and deliver it anywhere in the UK.

Love the bakes…choose from our small but delicious menu. Try… Stickyjack – the star of our show. An outrageous combo of lightly salted caramel and dark chocolate between layers of buttery flapjack. As one fan put it "It has to be tasted to be believed."

Brownies – in 9 varieties that go the extra flavour mile. Using Belgian chocolate plus British eggs, sugar and butter, they're rich, fudgy and addictive! Each month we showcase our classic brownie plus three different flavour variations – this keeps things interesting for us bakers and you!

*Salted chocolate fudge: Our best seller to date. A luxe brownie studded with chunks of buttery fudge and a whisper of sea salt. Yum!

*Classic: The perfect choice for brownie aficionados. Luxurious and decadent – a chocolate feast to savour. *Peanut Butter - Rich chocolate, peanut butter and handfuls of salted peanuts adding a lovely crunch plus a tiny savoury hit.

*Coffee: Dark and moody brownie with espresso coffee and chocolate nibs for a touch of crunch. Seriously grown-up and gorgeous.

Sensitive soul? All our brownies can be made gluten free.

Love the tuck box… now here's the fun part. Our bakes come carefully paper wrapped and tied then packaged in a refillable retro tuck box that doubles as stay-fresh storage. How cool is that? You can order a fresh box every time or a refill in any of the varieties. It's your call.

Each 198mm x 140mm tin contains 12 generously sized Stickyjacks or Brownies. Prices are £19.95. Refills are priced at £17.50. To order go to www.greatbakes.co.uk

Her carrot cake won a two star Great Taste Award in 2013 and it's still one of her most popular. "Great Bakes was born out of our thriving local business and the desire to reach lovers of all things sweet and delicious while staying true to our artisan way of baking," explains Caroline.
