Ace 8 Media Announce Launch of New Website

Friday 5 December, 2014

Dublin-based sales and marketing firm, Ace 8 Media formally announces the launch of a new energetic website ahead of major growth plans for 2015.

Ace 8 Media is one of the fastest growing promotional marketing companies in Ireland. Ace 8 Media reveal their aim is to deliver a truly professional representation, a personalised approach and an unlimited market exposure for the clients.

The site's homepage features bright colours and an uncluttered design as well as including the newly designed logo. Ace 8 Media reveal that the goals with the new website were to make it faster, easier to navigate and more user-friendly. The design of the web pages and the structure of information is to improve overview and usability.

Ace 8 Media report that social media is one of the most popular ways clients stay in touch and view the latest office news so all social media is clearly visible on the homepage in the top right hand corner.

Ace 8 Media report that they also wanted to give clients an opportunity to know them better, who they are as a company and who they work with. By browsing through the "About us" section, users will get a good idea of who they are and all the services they provide.

The website will be updated on a regular basis, with news of events; product launches and new content revealed about Ace 8 Media. This is to keep all customers and potential new customers in the know about the progress and growth of the company throughout the year and the plans in the months/years to follow.

Ace 8 Media report that their hope is for people to enjoy browsing the new site, finding more options and information each time, and that it will be yet another tool for strengthening business relations.

Users who experience any problems with using the new website, please contact Ace 8 Media at info@ace8media.com. Be sure to regularly view their latest news feed and LIKE them on Facebook to keep in touch.
