Age Concern Hampshire Expands Support to Reach More Individuals in Need

Tuesday 18 June, 2024

Age Concern Hampshire, a local charity dedicated to supporting older adults in Hampshire, is pleased to announce the expansion of its Help at Home service in Andover, Basingstoke, Locks Heath, Havant, and neighbouring areas. Through expansion of the Help at Home service, the charity aims to reach more individuals who are struggling with daily chores due to reduced mobility, higher fall risks or declining health.

The Help at Home service is designed to provide practical, day-to-day support to older adults, helping them maintain their independence and quality of life. This expansion will allow Age Concern Hampshire to assist a greater number of individuals, ensuring that those in need receive the help and support they deserve.

As a result of this expansion, Age Concern Hampshire is actively seeking compassionate individuals to join its team of Home Helpers. These rewarding roles support older adults and play an essential role in maintaining independence and enhance their quality of life by providing personalised assistance with tasks such as housework, laundry, meal preparation, shopping and trips out, while also providing invaluable companionship.

"Our Home Helpers play a crucial role in enhancing the lives of older adults in our communities," said Hannah Park, Head of Operations at Age Concern Hampshire. "Their dedication and compassion are invaluable in providing essential support and companionship to those who need it most. We are actively seeking individuals who share our commitment to making a positive impact on the lives of older adults in Hampshire."

Age Concern Hampshire is currently seeking new Home Helpers to join their teams in North and South Hampshire.
