Age Concern Hampshire Rolls Out Four New Minibuses to Support Older People

Monday 9 December, 2024

Age Concern Hampshire is thrilled to unveil four brand-new minibuses, a vital upgrade to its transport fleet. These vehicles are set to enhance the charity's mission of supporting older people who face challenges reaching the Care and Wellbeing Centres on their own or with the help of family and friends.

Designed for accessibility and comfort, the minibuses feature tail lifts for effortless boarding and are staffed by trained passenger assistants to ensure every journey is safe and comfortable. This new fleet represents a critical investment in providing affordable, reliable transport, enabling individuals to access the care and connection they need.

The charity's Care and Wellbeing Centres offer a comprehensive range of services tailored to the unique needs of older adults. From personalised care and mobility support to specialist dementia care and engaging activities, the centres aim to promote independence and overall wellbeing. For families and carers, these services provide much-needed respite, offering peace of mind and support.

Hannah Park, Head of Operations at Age Concern Hampshire said 'Our staff and the older people we support, are very excited to start making good use of the new minibuses! They will make a real difference to those that ACH support'

This exciting milestone reinforces Age Concern Hampshire's commitment to supporting older communities. For more information about their transport services and care options, please visit Age Concern Hampshire's website: https://www.ageconcernhampshire.org.uk/care-and-wellbeing-services-hampshire/ or call 01962 868545.

Note to Editors:
