Airship Interactive Ascends to Victory as TIGA's Best Services Provider, Championing UK's Gaming Industry Growth

Monday 20 November, 2023

Airship Interactive, a UK-based innovator in the video game sector, has been crowned with the illustrious TIGA Award for Best Services Provider. Celebrating over a decade of dedication to artistic and technical mastery, this accolade heralds a new chapter for both the company and the burgeoning UK games service industry.

Championing UK's Service Industry in Gaming

The TIGA Awards, recognising the crème de la crème of the gaming world, shone the spotlight on Airship Interactive's exemplary service and influence on game development.

> Receiving this award is a nod to our team's grit, our clients' trust, and our shared drive for pioneering In-Game Artwork & Technical innovation

stated Joe Harford, Founder and CEO of Airship Interactive.

As the UK's gaming industry continues to flourish, Airship stands out as a beacon of the country's creative and technical prowess, contributing to the international success of numerous high-profile award winning games.

Steering Towards a Brighter Horizon

Celebrating this milestone, Airship Interactive is already charting a course toward furthering industry innovation and leadership.

> The Best Services Provider award is merely a landmark in our relentless pursuit of excellence. It's a testament to the UK's capacity to lead and innovate in the global service industry

Joe Harford reflected

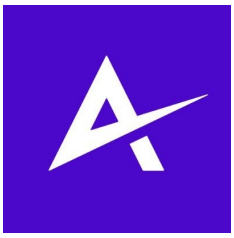

This victory is a powerful statement about the future of the UK's gaming industry—a future shaped by innovation, world-class talent, and an unwavering commitment to quality.
