

AK BETS - EARLY PAYOUTS - LIVERPOOL, LEEDS, BIRMINGHAM & CELTIC

Thursday 27 February, 2025

Bookmaker AK BETS has today paid out on Liverpool, Leeds, Birmingham & Celtic to win their respective leagues - putting cash back into their punters' pockets rather than waiting until May.

Anthony Kaminskas, Owner of AK Bets said:

"There's nothing more annoying for a punter than being on a winner and waiting to get paid out. We pride ourselves on settling markets quickly and don't think our punters should have to wait another 2 months for their loot. Those leagues are done, so if you placed a league winner bet before 26th February we're paying you out now".

David Murray, Head of Trading at AK Bets said:

"It's going to be costly, but Liverpool and Birmingham are a mile clear, even Leeds won't be able to fall apart from here and Celtic had the league wrapped up ages ago. Why delay the inevitable?"

With the Cheltenham Festival around the corner, AK BETS are top price many of the favourites and will be taking on the punters once again hoping for a different result this time around.
