Tuesday 12 September, 2017

[Alpha Gamma Solutions](#) have taken their growth strategy to the next level, revealing details of their recent expansion to Essex.

About Alpha Gamma Solutions: <http://www.alphagamma.co.uk/#about>

The move comes as a demonstration of Managing Director, Alex Graf's commitment and determination promote brand awareness and establish Leicester-based Alpha Gamma Solution as a dominating force within the sales and marketing industry.

After a phenomenal 12 months, the expansion into Essex marks an exciting time for the company. Boasting a diverse portfolio of highly satisfied clients, the firm have been pushing into other regions on their behalf, prompting the sudden move by the firm, having now expanded further south.

In a statement released by the firm, CEO Alexander divulged the reasons why this development marks an exciting time for the firm. "We are over the moon to see that our rapid success in Leicester has allowed us the freedom to grow as a company, furthering our market reach by opening an office in Essex," he said. "This is an exciting time for Alpha Gamma Solutions, and all of us are keen to keep up this level of performance, driving us to meet our goals of expanding into many more locations by 2018."

Alexander is thrilled to see this expansion come to fruition, having dedicated a lot of his time to mentoring and developing young entrepreneurs to become business owners. The entrepreneur takes great pride in nurturing new talent and offers all Alpha Gamma contractors a wealth of business development opportunities to equip them with the necessary skills needed to succeed. The latest company development has allowed their recruitment team to reach out to more innovative young professionals, helping them on their journey to becoming the forces to be reckoned with.

Alpha Gamma Solution's business model includes a comprehensive business development programme for any budding entrepreneurs looking for an opportunity to get their kick-start in marketing. The programme includes one to one mentoring with the Managing Director, many opportunities to network and build lasting, meaningful relationships with powerful industry contacts. Prospective entrepreneurs will be trained to deliver outstanding customer service to consumers, implementing effective, up to date marketing tactics and [develop unrivalled business skills](#). The company also provides a variety of travel opportunities such as annual company trips to Europe to reward contractors.

Alpha Gamma Solutions specialize in delivering face to face sales and marketing solutions for the clients they represent. The firm aim to provide the very best experience to every customer. This mentality has allowed the Alpha Gamma Solutions to develop long-lasting relationships with consumers on behalf of the brands and help big brands succeed in delivering innovative marketing campaign; increasing their customer base, reach sales targets and establish brand awareness.
