Alpha Gamma Solutions understands that as the New Year gets underway many people are keen to start new jobs and looking for new career opportunities. Therefore with tough competition in the job market the firm has shared what it takes to stand out and be a successful candidate in their own interview process:

Alpha Gamma Solutions looks for some very important qualities in their potential candidates. The firm is confident that skills can be taught but personality is what sets a candidate apart. Therefore Alpha Gamma Solutions seek out those who have the ability to make friends with anyone, can quickly and successfully build rapport in person, has a confident and outgoing personality, has a strong problem solving and solution focused nature, as well as a friendly and positive vibe.

“Our development opportunity and unique mentoring process helps to teach individuals the necessary skills to be a success in our industry and therefore we look for people who already have all the right personality attributes to be successful,” highlights Alexander Graf of Alpha Gamma Solutions.

Alpha Gamma Solutions is an outsourced sales and marketing firm based in Leicester. The firm specialises in a personalised form of direct marketing which allows them to connect with their clients’ ideal consumers via face-to-face marketing techniques. This one-to-one interaction with consumers helps to encourage long-lasting and personal business relationships between brand and consumer which, in turn, leads to increased customer acquisition, brand awareness and brand loyalty for their clients.

Alpha Gamma Solutions asks all potential candidates who are interested in an opportunity with Alpha Gamma Solutions to apply via their website or send a CV to admin@alphagamma.co.uk
