What we do & why we do it:

Alzheimers Dementia Support 'ADS' is a charity which offers constructive practical guidance and a wide range of **services** to help people in the local community whose lives are directly or indirectly affected by Dementia. We strive to make a difference by helping those affected cope better whilst giving them the opportunity to experience a little joy and laughter in their difficult lives. We also offer free **Dementia Awareness Training** to all in the RBWM including group bookings for businesses, groups and schools as well as individuals.

Who we help:

There is an ever growing number of People with Dementia and their Carers within our local Community of Windsor, Maidenhead, Ascot, Slough and Langley who can benefit from our services. We use any/all forms of communication to increase the awareness of 'ADS'.
