

ANIL UZUN Will Talk about How to Aim for Success on Clubhouse

Tuesday 4 May, 2021

[ANIL UZUN](#) is a serial entrepreneur who has been active in the Fintech sector for many years. He will be talking about his vision for continued success and how to aim for it.

[ANIL UZUN](#) says, "Building a company that will stay on top for years to come is no easy feat. Some people suggest it might be one of the hardest things to achieve for any organization, and I tend to agree with them. But it is still achievable, and I plan to talk about it."

"Top-level performing organizations are the most important asset in a company. To stay on top in the long term, the company needs top performance for a decade and longer, and they become the legends we talk about today, like Apple, Amazon, and Netflix." he continues.

How to aim for success talks will include topics including

- How could one maintain a level of excellent product and service performance for extended periods
- Leadership and high-performing teams
- Monotonous habits for continued success

ANIL UZUN will also attend the Q&A part and answer the most recent developments in the Invest Room at Clubhouse. The talk will be live on Friday, May 14, at 07:00 pm.
