

Anthesis Named in two 2026 Infor Partner Network (IPN) Awards

Monday 16 March, 2026

Manchester, UK 16th March 2026 — **Anthesis Ltd.**, a leading provider of ERP solutions and consultancy services and Infor Gold Resell Partner, today announced that it has been named an **Infor Partner Award Network (IPN) winner for two awards - EMEA North Resell Partner of the Year and Resell Distribution Partner of the Year**, recognising its achievements in delivering value and innovation to customers through its partnership with Infor.

The award recognises Anthesis success in helping food & beverage and manufacturers and distributors modernise operations using Infor CloudSuite, resulting in faster deployments and improved customer outcomes.

“This recognition reflects the unwavering dedication of our team and the strength of our long-standing partnership with Infor” said Charles Noden, Joint Founder at Anthesis. “After 15 years of working closely together, this award stands as a testament to the outstanding work our growing team delivers every day to help customers optimize and drive their business systems forward. We are immensely proud and absolutely delighted to receive these two honours.”

“Infor is proud to recognise partners who play a critical role in delivering industry expertise, innovation, and customer success across our ecosystem,” said Jeanne Newberry, SVP, Ecosystem and Business Development, Infor. “This is the first year of our global awards under the Infor Partner Network, making this recognition especially meaningful. Our partners are essential to how we grow the business, reach new markets, and deliver better outcomes for customers. The Infor Partner Awards celebrate the organisations that embody the spirit of mutual benefit—driving success for their customers, their own businesses, and Infor together.”

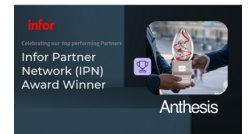

The Infor Partner Network (IPN) Awards are presented annually to recognise outstanding partners for their contributions to customer success, innovation, and measurable business impact across the global Infor partner ecosystem.
