

APA Property Services Ltd. Transforms London's Taxis

Thursday 18 September, 2014

An Essex-based chartered surveying practice has launched a branded full livery taxi campaign in London.

Coordinated by <u>London Taxi Advertising</u>, the colourful wrapped cabs will be taking <u>APA Property</u> <u>Services Ltd.</u> to audiences throughout the capital and advertising the company's services as a chartered surveyor.

With use of a striking colour palette and bold company logo, the taxis are bound to create real impact and presence throughout the city streets, becoming instantly recognisable thanks to a striking purple wrap.

APA is making full use of the advertising space available by also using the taxi to highlight some of the key services offered; including pre-purchase building surveys and property valuation.

<u>Full wrap advertising</u> on London's black cabs is a fantastic way to transform an iconic part of the capital's cityscape into a branded mobile billboard and enable reach to key consumers right throughout the city.
