AS Equity Partners, announced the signing of a definitive agreement to acquire QDQ Group, the leading digital marketing platform in the Spanish Market, a wholly owned subsidiary of SoLocal Group. Financial details of the transaction were not disclosed.

Serving a growing network of 20,000 clients, QDQ Group is the largest digital marketing agency in Spain serving SMEs. QDQ delivers a comprehensive portfolio of digital solutions such as the creation of web pages; positioning campaign management (SEO) in the main search engines; online advertising through campaigns in Google Ads TM, Microsoft Bing and Facebook Ads TM networks; integration into social networks; creation and optimization of advertising videos; among others. QDQ Group, with its proprietary and scalable platform, securely allows its customers to acquire premium and differentiated services.

“AS Equity Partners are delighted to be investing in QDQ Group, a premier digital marketing platform that serves small and medium business all over Spain,” said Andreas Schulte founder of AS Equity Partner. “In addition, QDQ Group has the **local business web directory** qdq.com, with more than two million unique users and eight million pageviews. We look forward to working with QDQ Group to further grow its portfolio and network, and continue to build on its status as a recognized leader in the digital marketing in Spain.”

“In QDQ we are very excited to work with AS Equity Partners team due to their track record of accelerating the growth of digital media and technology companies in European markets,” said Pedro Fernández, CEO of QDQ Group. “This provides QDQ with opportunities and capabilities to empower our employees and partners to deliver an industry leading customer experience.”
