GT Global Distributors LTD are proud to announce the launch of the “The Beanbag Boutique” http://www.thebeanbagboutique.co.uk a new online store where beanbag lovers can shop for high quality, stunningly stylish and extremely comfortable beanbags.

At TheBeanbagBoutique.co.uk shoppers can enjoy a boutique shopping experience – Only a limited (boutique) selection of beanbags is on offer but they are among the finest that you will find online or offline. Each beanbag in the collection is individually chosen for their comfort factor, unique style, design and versatility.
Quality is the hallmark of all the beanbags on display in the “The Beanbag Boutique” all of which are handmade, made to order and crafted by UK only manufacturers and designers.

Terry O’ Toole the managing director of GT Global Distributors LTD said “The philosophy behind “The Beanbag Boutique” is simple! Less is more and quality is always better than quantity – we believe that shoppers would prefer to peruse (under one roof) a boutique selection of the best beanbags from the best UK manufacturers, rather than spend their time searching across multiple websites and through hundreds of generic looking beanbags. We provide a unique collection of the best of the best from the best, making it easy for shoppers to find an amazing beanbag – one that strikes a chord and stands out from the crowd, one that any home would welcome with open arms”

Browsing “The Beanbag Boutique” to find that perfect beanbag partner is easy - because they display a boutique selection, customers can view their unique collection in a matter of minutes, and the website itself is intuitive, easy to navigate and extremely informative.
