# Autumn Sale Now On at BestHeating.com

**Saturday 9 November, 2013**

Online retailer and heating specialists, BestHeating.com, are delighted to announce that their seasonal autumn sale is now underway, with great reductions across a huge choice of high-style, high-quality, heating products and accessories.

BestHeating.com prides itself on offering customers aspirational heating products at affordable prices, with this latest sale another show of commitment to fulfilling this promise.

For a limited time only, customers can enjoy big savings on a wide range of heating products, including vertical, horizontal and curved designer radiators in a choice of finishes, and traditional and contemporary heated towel rails, with selected items reduced by as much as 25 per cent.

Also included in the seasonal sale is a choice of discreet and efficient underfloor heating kits and thermostats, which are ideal for use in the bathroom or kitchen and will keep tiled and hard floors warm and comfortable to walk on throughout the cold winter months.

Since its launch, BestHeating.com has attracted some of the biggest and most trusted heating brands to the online store, including Kudox, Stelrad, Milano, Hudson Reed, Phoenix and Ultra, and a good choice of branded products are featured in this seasonal sale.

The autumn sale ends on 14th November, and has proved immensely popular since its launch a few days ago. Unsurprisingly, discounted products are selling quickly. To visit the store and browse the sale, click here.
