

## B2B International Honoured as a 2018 Achievement in Insight and Research Award Double Winner

Friday 28 September, 2018

*Inaugural Confrimit AIR Awards Recognize Innovation and Business Impact in Market Research*

B2B International, the world's most experienced b2b market research company, has been awarded two 2018 [Confrimit AIR \(Achievement in Insight and Innovation\) Awards](#) in both the *Agency* and *Project and Innovation* categories. This recognition demonstrates B2B International's outstanding performance in Market Research practices and its continued commitment to providing exceptional guidance and value to clients. In particular, it recognizes B2B International's innovative approach to b2b win / loss research that yielded significant results for its end client.

The AIR Awards were inaugurated this year as a way to recognize those Confrimit customers who are driving forward the Market Research industry by innovating and delivering insights that fuel business performance. Receiving a Confrimit AIR Award demonstrates B2B International's exemplary application of Market Research vision, methodologies, and insights. B2B International earned Confrimit AIR Awards in the *Agency* and *Project and Innovation* categories based on the development and impact of innovative research approaches such as its b2b win / loss programme that have delivered real impact for its clients.

"We are delighted to receive both the *Agency* award, and the Judge's Choice Award for *Project Innovation*" said Matthew Powell, Director of London, B2B International. "The team here at B2B International is always striving to push the boundaries of what we do for clients, and Confrimit's platforms help enable this innovation. It is fantastic to be recognized for this work."

"We're delighted to honor B2B International as a 2018 Confrimit AIR Award winner for their proven innovation and excellence in Market Research," said Ken Østreng, CEO, Confrimit. "The ability of Market Research businesses to deliver fast, business-critical insights to their clients is at the heart of the industry's future. The entire Confrimit team is very proud to work with such innovative and successful MR partners and we congratulate them on their well-deserved win."
