Barcelona, voted favorite city to visit in Spain

Monday 13 July, 2015

Expert in luxury properties Lux Habitat real estate offers unique homes to those who decide to go a step further and start a new life in Barcelona

Barcelona wins your heart. Its many points of interest are attracting more and more visitors who appreciate the wide variety of activities that the city offers.This is what millions of travelers have expressed and Barcelona has been chosen as favorite destination to visit Spain in the Traveler's Choice Destination 2015 awards organized by TripAdvisor. The election has been based on the evaluations of its users, an opinion also supported by the official data of the Spanish Ministry of Industry, Energy and Tourism.

In the first quarter of 2015, Spain received 4.4% more visitors, being the UK the main source of tourists. Catalonia, and especially Barcelona, is leading the ranking of visits with more than a 25% of the total of 16 million international tourists who have traveled to Spain.

Barcelona, luxury destination

Lux Habitat is the reference company among the city's most exclusive real estate services in the luxury properties sector in Barcelona.

Lux Habitat, as specialist in the management of luxury real estate assets in Barcelona, with a multilingual team with a deep knowledge of the market and of the special needs of customers who require this type of property, guides and advises with the utmost professionalism to locate the desired housing.

Lux Habitat manages properties in the best areas of the city of Barcelona and in the most prestigious residential areas of the nearby Barcelona coastline to enjoy its stunning beaches and the charming Costa Brava, a unique natural spot in the Mediterranean. In addition to its headquarters in the capital of Catalonia, Lux Habitat has an office in Platja d'Aro (Costa Brava) to offer a located and quality service with agents who are proficient in English, French, Italian, German and Russian.

In addition to its great attractiveness as a place of residence, Barcelona is also an excellent option to invest in with a remarkable stock of luxury properties. And when it comes to bet on unique and exclusive properties, Lux Habitat offers the best advice thanks to its 20 years of experience in the sector. Recently, the Lux Habitat official website has been redesigned to facilitate the online making of enquiries in the different properties and their commercial management with a *responsive* design suitable for all types of mobile devices and tablets.

Contemporary or modernist architecture, music festivals, conferences, sporting events, shopping, fashion and gastronomy ... the excellent cultural and tourist offer of Barcelona is even more attractive if you enjoy it from a luxury property with the specialized advice of the more expert real estate agency of the area.

About Lux Habitat

We are a real estate agency in Barcelona; which acts as such and is proud of it.
