

Bazaraki - Real Estate Top Classifieds in Cyprus

Tuesday 19 November, 2019

Bazaraki, a leader marketplace from Cyprus, enters the new markets of real estate. This company is number one in the Cyprus marketplace. More and more UK visitors use this online platform for renting or buying real estate. Bazaraki specializes in advertising goods and services in various categories. This website has been working for a few years already and is now becoming even more popular among British users.

According to the Google Analytics Statistics for Bazaraki.com in 2018, more than 38.000 daily unique visitors browse through this website, with one visit every 8 minutes. The advertising is very convenient through this platform. People can either post their own ad or scroll through the available services online. The customer support works day and night to make sure their advertising is effective and every client is satisfied.

There are various categories of services connected with real estate available on this platform. For instance, visitors can have a look at houses and apartments for rent/sale, short term rent, rooms, plots of land, commercial property for sale/rent, residential buildings, etc. Every person can find something suitable for their taste and pocket. There are numerous advertisements from the most reliable sellers.

British visitors are the most frequent users of [Bazaraki services](#). They come to this online platform to search for houses or apartments. Some people are willing to rent a house or a flat for a short term. The summer period is considered to be the high season when many foreigners come to enjoy the mild warm climate of Cyprus. Other visitors want to purchase a house or an apartment through this service as it's proven to be one of the top-rated online marketplaces on the island.

The real estate category of the website is huge and offers additional options for a comfortable search. The visitors can select the city of their choice, minimum and maximum desired price, number of bedrooms, furnishing as well as the house condition. Also, there is a possibility to view the area on the map and decide if the location is suitable or not. Currently, there are over 27.000 ads in real estate for sale category.

Moreover, Bazaraki welcomes small and big entrepreneurs and assists in developing their business by mutual cooperation and placing their ads online. The company deals only with trusted business owners and companies and checks each advertisement before publication. Customers and foreign visitors can be confident about the reliability of the sellers and the real prices mentioned online.

The website has two language options – Greek and English which is very convenient for foreign users.

Bazaraki can't guarantee the safety of each transaction but it offers free general rules and advice on safety on their website. The company values every client and cares about their safety, so following their advice can help avoid scam attempts. They never ask for the authentication code or phone number to gain access to the website. No financial or banking details, as well as other sensitive information, is asked by managers of the company.

Apart from houses and apartments for sale/rent, there are several other categories including clothes, hobbies, business, computers, health, electronics, animals, and other services. The design of the website is modern and easy-to-use. By clicking on the necessary category the visitor will see available advertisements and perform the search.
