BBC Dragons' Den Contestant The Wild Peanut Launches Revolutionary Range of Flavoured Peanut Butters at Yumbles.com

Monday 4 August, 2014

The Wild Peanut has launched its revolutionary range of naturally flavoured peanut butters at Yumbles.com (www.Yumbles.com), hot on the heels of founder Akeem Ojuko's appearance on hit BBC show, Dragons' Den last night.

While foodpreneur Akeem wasn't able to persuade the Dragons to part with their cash, he has been flooded with messages of support from food fans since appearing on the show.

Available in Chilli, Cinnamon, Honey, Chocolate and Banana flavours, the innovative range of all-natural peanut butters includes:

- No additives
- No preservatives
- No palm oil

A 40g taster jar is available for £1.50 while the 450g jar costs £4.20 with free shipping. A donation is made to global charity TREEAID for every jar sold.

Quote

The Wild Peanut founder Akeem Ojuko says:

"Appearing on Dragon's Den was a great experience, if slightly stressful! Although we didn't hit the Dragon's buttons, the response from members of the public has been amazing.

We're thrilled to be one of the exciting indie producers featured on Yumbles.com and are sure their army of food fans will appreciate our revolutionary flavours"
