**Latest version of the Health & Safety App The Compliance Genie Available on The App Store and Google Play**

May 7, 2021: Be-Safe Technologies (Be-Safe) is delighted to announce that it has been awarded ISO 9001:2015 (Quality Management) and ISO/EIC 27001:2017 (Information Security) by the British Assessment Bureau, the UK's leading UKAS-accredited ISO certification body.

" Working in the Health & Safety industry it is especially important that we are seen to be managing information securely and appropriately and that our processes for the provision of our all-in-one App are robust and safe. Therefore, it was essential that we achieved these certifications as soon as possible so our customers can trust us to handle their data and provide their services efficiently and safely," said Graham Pollard, CEO of Be-Safe.

"I am also very pleased to announce that the very latest version of our innovative and comprehensive App, The Compliance Genie, is now available on Google Play and Apple App Stores".

" The Compliance Genie is a state-of-the-art App that helps companies in any industry, and of any size, become and stay safe, secure and compliant. This latest version contains feature upgrades that expands the range and makes it even better and faster at digitising our customers' H & S processes," he concluded.
