

BellaVista Promotions Hit the Road for London Leadership Event

Monday 14 September, 2015

Sales and marketing firm [BellaVista Promotions](#) have already attended some important events this month and are excited to travel to London for a leadership event later in the month.

Managing Director of BellaVista Promotions, [Haidee Tucker](#) travelled from the firm's Plymouth office to attend an important business owners meeting in Birmingham last weekend. The meeting was held at the Crowne Plaza in the heart of Birmingham's city centre and was set up to promote the achievements of the business owners in the UK's sales and marketing industry. Haidee Tucker was excited to attend the event as it gave her the opportunity to connect with other business professionals and learn new skills.

Later this month Haidee Tucker is also set to travel to London to network with industry leaders and attend an important leadership event. The event is incredibly important as it gives business owners the opportunity to make long-lasting connections with other industry professionals and possibly seek advice from mentors. This is vital for business owners to overcome challenges and also to learn new skills in order to innovate and refresh their business models in order to continuously improve and satisfy customers.

BellaVista Promotions is an outsourced sales and marketing firm based in Plymouth. The firm specialise in a unique form of direct marketing whereby they connect with consumers on behalf of their clients' brands. The firm works closely alongside their clients to establish their goals, ideal target markets and to learn everything there is to know about their products and services. Personalised marketing campaigns are then developed and taken directly to consumers via face-to-face marketing techniques, which often creates long-lasting and personal connections between brand and consumer. This often leads to increased customer acquisition, brand awareness and brand loyalty for their clients.

BellaVista Promotions actively encourage continuous learning and picking up new skills outside of an office environment. The firm regularly hosts meetings and workshops within the office to help their crew develop their skill sets and continuously improve but also offers road trips and often takes members of the team to important business events in order to expand their knowledge and help them make valuable business connections. The firm believes that spending time outside of the office helps to create new situations for the firm to deal with, new circumstances evokes innovation and creativity, which in turn helps them to learn and develop new skills.
