Binary options trading platform 24Winner offers massive Christmas bonus

Thursday 4 December, 2014

Nicosia Cyprus, Decembar 03, 2014 – Popular binary options platform 24Winner launches Christmas campaign with an astounding 125% bonus available to its clients. The company offers an extensive choice of assets that can be traded using a wide range of available tools, and there are several unique account types that people can sign up for. Every account type has a special **welcome bonus** that clients receive upon signing up, and people can expect a big 125% Christmas bonus during the holidays. 24Winner has established itself as a highly effective and user-friendly binary options trading platform, suitable for first-time traders and more experienced traders alike. This special bonus is yet another attempt by the company to give new traders an opportunity for making a good start and learning the basics of the trading game.

The emphasis on client education and great customer service are integral to the company's policy of slowly introducing inexperienced traders to the world of binary options trading, and creating competent and successful traders over time. When first starting out, there is a lot of room for traders to make errors due to the lack of skill and knowledge, so 24Winner feels that their clients can greatly benefit from the added security a generous bonus like this one can offer. This way the clients can jump right in, get their feet wet and get some valuable firsthand experience with the market – with the added 125% bonus, traders start their account with enough capital to allow for some bad trades.

The people at 24Winner understand that the holiday season is the time of New Year's resolutions, when many people consider a career change or are looking for an additional source of income, and this bonus combined with the free educational material and live expert customer support – which are all available upon opening an account – are an adequate incentive for people to make to consider binary options trading as a viable option.

About 24Winner

24Winner is a fully licensed and regulated binary options broker, with a selection of 180 tradable assets available. It is a highly comprehensive and intuitive platform, created for ease of use, and with a focus on teaching and guiding new traders through their first steps in the trading world. Clients can trade stocks, currencies, indices and commodities, and focusing on more basic predictions – looking at a specific asset predicting whether its price will rise or fall within a given time period – makes the whole process much simpler. The user-friendly tools, coupled with the straightforward nature of binary options trading, allows new traders to learn some of the ins and outs of the market fairly quickly. Access to e-Books, videos, one-on-one training sessions and excellent customer support further helps clients in becoming proficient traders and achieving success.
