Bitoomba Introduces Its Affiliate Program

Tuesday 25 February, 2014

Leading Bitcoin Casino Bitoomba is welcoming interested webmasters to be part of its success through the affiliate program it has recently unveiled. Bitoomba Casino has been continuously making new achievements in the industry with the help from its top-notch services, and it is now presenting new ways for interested webmasters to increase their profits.

Bitcoin gambling industry leader Bitoomba Casino has launched an affiliate program that is guaranteed to benefit would-be affiliates who wish to give their monthly income a boost. Bitoomba is known for its first-class Bitcoin gaming services, so an affiliate program under its management can only be expected to exude professionalism and perfection that stand out in the industry.

The Bitoomba affiliate program is equipped with the best features, making it the most attractive program in the world of Bitcoin gambling. Affiliates will be provided with accurate and live statistics, dedicated account manager, and a wide array of the best performing marketing tools that have passed a series of intense quality checks for 100% performance and reliability. To make these possible, Bitoomba has acquired the services of **BTCAffs**, a technologically advanced bitcoin casino affiliate program that offers a sophisticated online affiliate system.

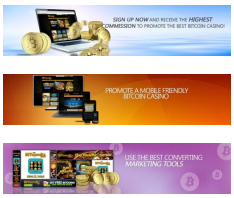

Bitoomba Casino ensures that its affiliate program will be in a league of its own by providing the best commissions in the industry. With a generous 25% to 50% lifetime revenue share and on-time payments every month, affiliates will certainly benefit financially, especially by generating more traffic through their handled websites.

Through the **Bitoomba Affiliate Program** that has just recently been launched, webmasters will be given more opportunities to double their monthly income through an advanced and hassle-free system that is guaranteed to be like no other affiliate program in the Bitcoin gambling industry.
Affiliates of Bitoomba are assured of premium services and assistance. With an innovative and state-of-the-art affiliate system, this Bitcoin casino will once again prove the industry of Bitcoin gambling why it deserves to remain at the top.

About Bitoomba Casino

Bitoomba is a Bitcoin-enabled casino that was established in early 2013. It banks on its mission to provide Bitcoin bettors all over the world with nothing but the ultimate Bitcoin gambling experience that other gaming sites fail to offer. With its extensive and regularly growing gaming inventory, casino enthusiasts can enjoy betting on Bitcoin Roulette, Blackjack, Baccarat, Dice, and Slots with many more to come.
