Food & Drink Expo – (13–15.04.2026, Birmingham, UK) BIXOLON Europe GmbH, a subsidiary of BIXOLON the global manufacturer of advanced Receipt, Label and Mobile printers, will be exhibiting on stand C149 at Food & Drink Expo 2026, where the company will present its comprehensive portfolio of printing solutions designed to support the fast-paced requirements of food production, hospitality and retail environments. Visitors to the stand will be able to explore its range of linerless, POS, Mobile, Desktop Label, Industrial, and Kiosk printing technologies engineered to improve efficiency, reduce waste, and streamline operations.

POS and Kiosk Printing – To support front-of-house and self-service environments, BIXOLON will be demonstrating its versatile POS receipt printer range including the [SRP-350plusV](#) 3-inch (80 mm) feature rich receipt printer and [SRP-275III](#) 3-inch (80 mm) dot-matrix kitchen printers. Alongside the [SRP-Q300](#) 3-inch (80 mm), and [SRP-Q200](#) 2-inch (58 mm) cube printers which deliver reliable, high-speed receipt and ticket printing for hospitality and retail applications. Complementing these solutions will be the [SRP-S200](#) 2-inch (58 mm) and [SRP-S300II](#) 3-inch (80 mm) linerless-capable printers, offering waste-reducing label production ideal for food labelling and order management. For unattended and self-ordering applications, the [BK5-31](#) 3inch (80 mm) and [BK3-21](#) 2-inch (58 mm) kiosk printer mechanisms provide compact, dependable printing designed for integration into a wide range of self-service systems.

Mobile Printing – Designed for flexible and on-demand operations, BIXOLON will showcase its robust mobile printing lineup, including the [XM7-20](#) 2-inch (58 mm), [XM7-30](#) 3-inch (80 mm) and [XM7-40](#) 4-inch (112 mm) mobile label printers, built for high durability, fast data processing, and seamless wireless connectivity. Also on display will be the [SPP-R200III](#) 2-inch (58 mm), a lightweight and ergonomic mobile receipt printer widely used for queue-busting, table-side ordering, and delivery applications. These solutions enable staff to print labels and receipts wherever needed, improving workflow efficiency across food preparation, service, and logistics tasks.

Label Printing – For back-of-house labelling and high-volume production, BIXOLON will present its [XQ-840II](#) 4-inch (118mm) stand-alone tablet-integrated label printer and the cost-effective [XD3-40](#) 4-inch (118 mm) series desktop label printers, offering reliable performance in compact footprints suited to food labelling, traceability, and inventory management. For more demanding environments, the [XT5-40](#) and [XT3-40](#) 4-inch (114 mm) industrial printers provide durable construction, high-speed output, and the capability to handle continuous, high-volume labelling requirements common in food manufacturing and distribution.

“Food and Drink Expo provides an excellent opportunity to demonstrate how reliable and efficient printing technology can enhance productivity, accuracy, and sustainability across food and hospitality operations,” cites Paul Kim, Managing Director, BIXOLON Europe GmbH. “From linerless labelling that reduces waste to mobile and kiosk solutions that streamline service, our portfolio is designed to help businesses adapt to evolving operational demands while maintaining speed and quality.”
