BIXOLON Showcases Cutting-Edge Lottery and Gaming Printing Solutions at ICE Barcelona 2026

Thursday 15 January, 2026

ICE Barcelona – (19.01.2026 – 21.01.2026, Barcelona, Spain) BIXOLON Co., Ltd, a leading global Mobile, Label and POS Printer Manufacturer, will present its latest innovation for the gaming and lottery industry at ICE Barcelona 2026. Exhibiting alongside Kortek, a global leader in industrial high-tech displays, BIXOLON invites visitors onto stand 3X20 to experience its comprehensive portfolio of high-performance printing solutions.

Designed to meet the demanding needs of casinos, gaming terminals, and lottery environments, BIXOLON's featured products deliver exceptional speed, durability, and integration flexibility, including:

- SRP-S300 – A high performance 3-inch (80 mm) ticket, receipt and lottery printer, producing clear, concise printouts for lottery tickets, receipts, and coupons for gaming floors, hospitality counters and environments which require high-speed, high volume printing capabilities.
- BK3-31 – A compact, versatile 3-inch (80 mm) open frame kiosk printer that delivers reliable receipt and voucher printing for self-service gaming applications. With multiple mounting options, an optional retractor and high-speed, the BK3-31 is a space-saving solution tailored to modern casino kiosks and gaming terminals.
- BK5-31 – A highly flexible, 3-inch (80 mm) open frame mechanism built for seamless integration into next-generation gaming and casino systems. Supporting a media thickness of up to 0.20mm with fanfold or traditional roll media. The BK5-31 supports an ergonomic design with easy mounting options and is accompanied with an optional retractor, is the preferred choice for printing tickets, labels and wristbands in heavy-traffic environments.
- SRP-G300 – The NEW compact 3-inch (80 mm) **Lottery Ticket Printer** that delivers fast and reliable lottery ticket printing with speeds up to 255 mm/sec, supported by smart anti-jamming technology. Its compact design features a wide stacker that holds approximately 100 tickets for easy collection, along with a large 203 mm media roll capacity for high-volume use. With flexible connectivity, ample onboard memory, and durable components, the SRP-G300 offers dependable performance for demanding lottery environments.

"BIXOLON is committed to working closely with gaming and lottery operators to understand the challenges they face on the ground," explains John Kim, Marketing Director, BIXOLON Global. "The products we are showcasing at ICE Barcelona reflect that collaboration, delivering reliable performance, flexible integration and the durability required in today's demanding Gaming environments."
