Blockchain Venture Summit: Connecting Investors And Founders

Tuesday 13 March, 2018

Webrazzi,
a leading media company based in Turkey and the parent company of Bitrazzi,
is bringing you an exciting conference – Blockchain Venture Summit
– which will bring together blockchain and cryptocurrency investors, professionals and entrepreneurs who are looking build connections with the most influential minds in Europe.

Participants
at the summit will get an invaluable opportunity to interact and share ideas that will help them use and generate capital from this new technology. They will also discover some of the most promising companies preparing for high-profile token sales / ICOs and also learn about exciting developments for the future of blockchain technology.

It's
All Happening on 28 March –
Put It in Your Calendar!

Blockchain
and cryptocurrency experts will answer any pressing questions from the audience and address some universal topics, including:

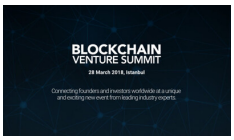

- Predictions
  and expectations for blockchain
- Whether
  Venture Capital is really dead
- Consequences
  to plan for when investing in cryptocurrencies
- Whether
  ICOs are likely to change their fund-raising methods
- How
  to evaluate a
  token sale or ICO

The
Blockchain Venture Summit is scheduled for 28 March 2018, with doors open from 9.30 am to 5.30 pm. It will take place at the Wyndham Grand Istanbul Levent, a hotel and conference centre located close to the city centre. You can access the venue from the M2 metro line, or drive from either Atatürk
International Airport (4km) or Sabiha Gökçen
International Airport (38km).

Early
birds will enjoy a discounted ticket price of only $500 per participant. The early-bird registration period runs from 12.00 pm, 14 March – 12.00 pm, 20 March.

the Best in the Industry Will Take to the Stage

A blockchain summit of this magnitude will naturally showcase some of the most important speakers in the industry. Those invited to address the conference are cryptocurrency and blockchain investors and entrepreneurs who have held senior positions in well-established companies, and who therefore have the know-how to offer some fantastic insights and guidance.

Speakers will include:

- Bobby Lee – Co-founder of BTCC, China's first Bitcoin exchange, and Board Member of Bitcoin Foundation
- Eddy Travia – Co-Founder and CEO of Coinsilium
- Charles Michael Yim – Founder and CEO of Cointopia
- Stefan Heilmann – CEO of IEG, one of Europe's largest investment banks, which is soon to launch its own IEG blockchain fund

Sponsorship and ICO Lounge Opportunities!

Blockchain Venture Summit will have a special section – the ICO Lounge – geared towards all entrepreneurs working in the sector. Signing up for a slot will give you an invaluable opportunity to introduce your enterprise at the summit and discuss your business plans with industry leaders. Who knows? You may well meet your next major investors!

Early-Bird Discounts

If you're interested in attending this fantastic event showcasing the best of blockchain, some fantastic early-bird discounts are available:

Super Early Bird – runs until 20 March: $500 USD per ticket

Early Bird – runs from 20 March until 26 March: $750 USD per ticket

Regular ticket price – runs from 26 March until the event: $1000 USD per ticket
