Bloomsbury's Back To Back weekends will kick off this September!

Tuesday 14 August, 2012

Bloomsbury Lanes has slowly evolved into a hub for the select few. Tucked away amongst the many garden squares within one of London's many hotspots it's quite possible you have walked passed it. If you've been unfortunate enough not to have visited the inside then you've simply missed out; it consists of bowling, ping pong, pool, a diner, a cinema and if that wasn't enough there is a stage and dancefloor ready for all those dazzling moves.

Music without a doubt is essential to the running of Bloomsbury. The stage has served as a solid stepping stone on the paths of Hot Chip, VV Brown, Cage the Elephant and Scouting for Girls, attracted a host of icons such as Fun Lovin Criminal, Anvil, Anthrax and Maxi Jazz. It was decided we needed a new event to entertain the masses and this lead to the launch of Bloomsbury's Back to Back Weekends. It's weekend after weekend of good music from September to December; events will range from themed nights to the best DJ's and live entertainment.

It kicks off on the 1st Sept with Norman Jay why not visit the website below for the rest of the lineup and schedule:
