Breaking the Chains of Awkward Group Payments: SendSpend Revolutionizes Collection Wallets for Events and Getaways, Making Instant Transfers a Fun Reality!

Wednesday 31 May, 2023

London, 31.05.2023 – Have you ever found yourself in charge of organizing a baby shower, a birthday present, a hen or stag party, or even a weekend getaway? The excitement of planning such events can quickly be overshadowed by the daunting task of collecting money from all your friends. With the all-in-one payment solution from SendSpend, that hassle is now a thing of the past!

SendSpend is revolutionizing the way we handle group payments, making it easier than ever to collect funds for any occasion. Gone are the days of exchanging bank details, chasing after friends to pay their share, or dealing with the frustration of handling cash. With SendSpend, you can effortlessly arrange events on behalf of your friends and seamlessly collect money during and after the event.

But that's not all. SendSpend is not just limited to event planning; it's a versatile payment system that caters to a wide range of needs. Whether you're a migrant, a traveller, or simply someone who wants to simplify their financial transactions, SendSpend has got you covered.

Imagine this scenario: a mother in London receives a "please send money" request from her daughter in Manchester. Her daughter doesn't have her bank card with her, but thanks to SendSpend, that's not an issue. With just a few taps on her smartphone, the mother can instantly send money to her daughter. And here's the best part – the daughter can conveniently withdraw the money from a nearby PayPoint location. It's fast, secure, and hassle-free!

SendSpend brings convenience to the forefront by offering free domestic remittance, enabling seamless money transfers within the country. It's the perfect solution for anyone who needs to send money to friends, family, or colleagues without the need for complicated bank transfers or incurring hefty fees. With SendSpend, your funds can be instantly accessible to the recipient, making financial support a breeze.

What sets SendSpend apart is its user-friendly interface and modern approach to payments. Whether you're a tech-savvy millennial or someone who prefers simplicity, SendSpend is designed to cater to all ages and tech proficiency levels. It's fun, intuitive, and built to make your life easier.

So, what are you waiting for? It's time to let go of the outdated methods of collecting money and embrace the future of payment systems with SendSpend. Join the growing community of satisfied users who have already experienced the convenience and joy that SendSpend brings to their lives.

About SendSpend:

SendSpend is a leading London-based fintech company promoting financial inclusion through its mobile-only, interoperable Alternative Payment System. The SendSpend Mobile Payment System links businesses and individuals around the world, and comprises a multi-currency banking ledger and digital e-wallet, a payment gateway, an agency banking app, and a set of corporate APIs enabling digital mobile payments, migrant remittances, and cross-border e-commerce, all without the need for a bank account or payment card. Additionally, the system serves as an alternative to SWIFT for international payments. The company is registered as an Electronic Money Institution (EMI) in the UK and holds a license from the Financial Conduct Authority (FCA). For further information, please visit www.sendspend.com
